CSWC Operational Period Summary

1800 April 23 2017 to 0600 April 24 2017

Overlooking Downtown Los Angeles, the Griffith Observatory opened in 1935 and is a popular tourist attraction with an extensive array of space and scientific-related displays. During World War II, the planetarium portion of the facility was used to train pilots in celestial navigation.

SITUATION SUMMARY

2017 February Storms

Cal OES Coastal Region

Pfeiffer Bridge Incident, Monterey County

California Highway Patrol (CHP) and Caltrans had a hard closure on the Pfeiffer Bridge on HWY 1 at mile marker 45.52 (SB Sycamore Canyon and the Bridge) due to a crack in the bridge.

- Backup air medical transport plans have been developed for medical emergencies through Cal OES Law Enforcement Branch.
- Nacimiento-Ferguson Road is now opened to the public.
- A southern detour route is open to local traffic only.
- All businesses north of the Pfeiffer Canyon Bridge closure are open to the public.

River Forecast - The following rivers are forecast to meet or exceed Monitor Stage:

- Solano County: Sacramento River at Rio Vista

Cal OES Inland Region

River Forecast - The following rivers are forecast to meet or exceed Flood stage:

Placer County:

- Truckee River at Truckee is forecast to be above flood stage at 4.5 feet starting the morning of 04/24/17 through 04/28/17.
 - Potential Impacts: Flood Stage. Minor flooding from Bear Creek in the Alpine Meadows area to Truckee. Truckee River bike path between the River Ranch at Alpine Meadows Road to Tahoe City begins to flood. Basements and yards of some low-lying homes along the river begin to flood. Deep Creek Campground begins to flood. About 2270 cfs. USGS estimates this much flow has about a 1 in 4 chance of being exceeded any year.

River Forecast - The following rivers are forecast to meet or exceed Monitor Stage:

- Colusa County: Sacramento River at Colusa Weir
- Sutter County: Sacramento River at Tisdale Weir, Sacramento River at Fremont Weir
- Yolo County: Yolo Bypass at Lisbon
- San Joaquin County: San Joaquin River at Vernalis
- Stanislaus County: Tuolumne River at Modesto
- Merced County: Merced River at Stevenson, San Joaquin River at Newman

California 911 System

CA 911 Outages		
Northern California	Central California	Southern California
No 911 Outages	No 911 Outages	No 911 Outages

Service Interruptions:

911 Outage, San Jose, Santa Clara County (Final)

On 04/23/17 at 1445 hours, the California State Warning Center (CSWC) was advised of a potential 911 Outage in the city of San Jose, Santa Clara County.

- The CSWC contacted the Santa Clara County Warning Point. They advised there was a planned outage for the city (Police Department/Fire Department Dispatch) due to moving to an alternate site. The city advised the Warning Point at approximately 1215 hours, that they had moved, however they were having trouble with the 911 system.
- Per the Coastal Duty Officer (CDO), a substation was set up to take calls during the move and the substation experienced a glitch. There was a short term disruption to service that has been taken care of.
- At 1651 hours, the CA 9-1-1 Branch advised:
 - The Public Safety Answering Point (PSAP) relocated to their backup site as planned to accommodate the work. They experienced an issue with the phones to which they had all their calls rerouted at about noon. An AT&T tech was called and placed en route. However, the city decided to change their reroute to the Avaya VoIP phones also located at their backup site.
 - The PSAP answered calls on the Avaya phones and did so for the remainder of the shift.
- [Santa Clara County Warning Point advised the PSAP moved back into their Communications Center at 2130 hours.](#)

Remote/Community Isolations:

- None reported

WEATHER OF CONCERN

Weather of Concern

- A few inches of snowfall accumulation will be possible across the higher mountain passes of Northern California today and tonight.
- Gusty winds will affect Southwest California for most of the coming week.
- **Active Weather Warnings, Watches and Advisories by County:**
- http://www.wrh.noaa.gov/sto/brief/www_bc_cal.php - Temporarily unavailable.
- <https://alerts-v2.weather.gov/counties/CA>

WEATHER SYNOPSIS BY REGION

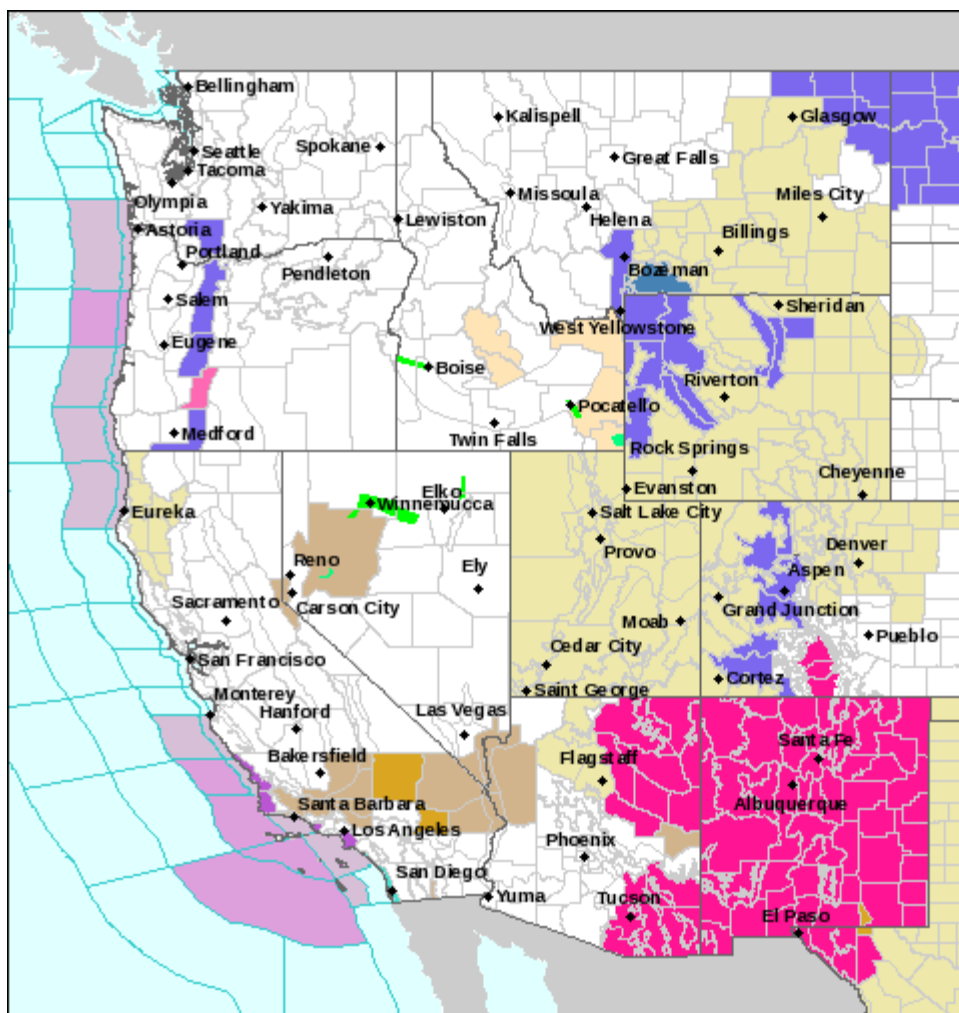

NORTHERN CALIFORNIA

Several weather systems move through bringing cooler temperatures with some light precipitation through Wednesday.

SOUTHERN CALIFORNIA

An upper trough moving through the Pacific Northwest will bring cooler weather to the region today with gusty northwest to north winds in some areas. Persistently sharp north to south pressure gradients will keep breezy to locally windy conditions across much of the region through at least Thursday. Temperatures will generally be above normal in most areas Tuesday through Friday, then well above normal over the weekend.

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Cal OES LAW ENFORCEMENT MISSIONS

Ongoing Cal OES Law Missions

- **2017-LAW-35273, 04/17/17, 1137 hours:** Air Force Rescue Coordination Center (AFRCC) advised of an overdue aircraft suspected to be in Sierra County. Aircraft departed at 1415 from Truckee to Petaluma with no flight plan, Oakland Center reported at 0409 Zulu. Ramp checks have been completed at both locations to locate the aircraft, TB20, single engine, Dark blue over white in color with tail number N28070. AFRCC has requested Sierra County Sheriff Office (SCSO) to search location. **Update: 04/20/17,** Marin SO, Placer SO, El Dorado SO, Yuba SO, Plumas SO, Butte SO, Shasta SO, San Mateo Bay Area Mountain Rescue Unit (BAMRU), CAP, and the CNG are supporting this mission through the next three days for search efforts. **Update: 4/20/17, 1200 hours,** Nevada County, working with SCSO, advised that Contra Costa County SO Search and Rescue (SAR) is sending ground team personnel today. They requested additional SAR resources for Friday. Another Sno-Cat, 5 snowmobiles with operators, and an additional Mission Request Tasking (MRT) team. Monterey SO is sending a 4-5 member Mountain Rescue Association (MRA) team; they will fly into Truckee for the 0800 hours briefing. Placer SO will send a Sno-Cat and Mono County SO will send 2 snow mobiles and operators. On 4/20/17, at 1600 hours, Nevada SO requested the CNG Blackhawk that is currently deployed to be extended through Saturday, as well as a larger platform helicopter (Chinook, etc.) to be used exclusively for transporting, inserting and extracting up to 30 ground searchers both Friday and Saturday. At 1620 hours, the JOC advised they are unable to send a second aircraft but will extend the deployed Blackhawk through Saturday and expand its tasking to include both team transport and searching. **Update per Cal OES Telecommunications Duty Officer, 4/21/17, 0626 hours,** The following equipment has been deployed to the Unified Command Incident Command Post (ICP) at Truckee Summit Staging Area: one portable VHF repeater, two caches (56 radios), VHF portables, and Operational Area Satellite Information System (OASIS) 'STAR RUNNER' transportable 'POD'. Repeater was assembled and placed in service at ICP. OASIS transportable was assembled and placed on-air providing four phone lines and internet. The Sierra Sheriff's Office local repeater (Babbit) was programmed into the 56 radio cache. **Update: 4/21/17, 0700 hours,** Cal OES Law Branch Assistant Chief's are on scene. **Update: 04/21/17, 1322 hours,** Nevada County SO requested SAR resources for the next 2 Operational Periods (Sat-Sun) to include: 60 Type I ground searchers on snowshoe's (Nordic), 15-20 snow mobiles, 6 sno-cats, 2 black hawks primarily for insertion/extraction of ground teams. NAS Fallon (thru AFRCC) is providing (2) UH-60's and will be on scene by 0800 hours, Saturday. The remaining requested resources are as follows: San Mateo SO/BAMRU - 3 Type I's, with a fourth joining Sunday only; Contra Costa SO - 3 Type I's in addition to the 6 already there; Placer SO - 4 Type I's; Los Angeles SO - 1 Temple Station Deputy and 4 Type I's from Sierra Madre Team; El Dorado SO - 4 person Management Team on Saturday and a 5 person Management Team on Sunday, along with 4-8 Type I's; Fresno SO - 3 Type I's; Tahoe Nordic (Placer SO) - 4 Type I's, 2 Nordic Skiers, 2 snow mobiles, 1 Sno-Cat; Washoe County, Nevada - 6 Type I's, 1 Sno-Cat with a 2 man crew, 2 tracked vehicles and 1 Incident Management Team member. In addition, the CNG JOC advised they will be sending a UH-72 (Lakota) to supplement their currently deployed UH-60 (Blackhawk) to provide aerial surveillance with the UH-60 re-tasked to assist with ground team movement (insertion/extraction). Cal OES T-Comm remains on scene and (2) Law Branch A/C's remain deployed to assist with SAR mutual aid coordination/reporting. **Update: 04/22/17,** No new resource requests were submitted. The two UH-60's from NAS Fallon will continue assisting through Sunday (04/23/17), however the air assets coordinated through the CNG JOC, a UH-60 and UH-72, completed their assignments and returned to their respective home stations. Two new Type I searchers from BAMRU, previously scheduled to arrive on 04/22/17, will join Sunday's search operation. Cal OES T-Comm remains on scene and a Law Branch Assistant Chief remains deployed to coordinate SAR mutual aid. Search efforts continue. **Mission Ongoing.**

Cal OES MISSIONS

Cal OES Missions

- **2016-IREOC-21748:** Tasking Caltrans to extend state highway right of way to facilitate hazard tree removal. This is a long term mission and is expected to remain in place through the summer months. **Mission Ongoing.**
- **2015-IREOC-19846:** One RAWS weather station to Amador OA – On scene 11/30/15, expected to be left in place until May 2017. **Mission Ongoing.**

Cal OES 2017 DROUGHT

The SOC remains activated in support of the Drought State of Emergency and continues to monitor the situation.

Current Local Emergency Proclamations:

A total of **38** local Emergency Proclamations have been received to date from city, county, and tribal governments, as well as special districts:

- 5 Counties: Fresno, Kings, Tulare, and Tuolumne, and San Joaquin
- 10 Cities: City of Live Oak (Sutter County), City of Lodi (San Joaquin County), City of Manteca (San Joaquin County), City of Montague (Siskiyou County), City of Porterville (Tulare County), City of Portola (Plumas County), City of Ripon (San Joaquin County), City of Rancho Cucamonga (San Bernardino County) City of West Sacramento (Yolo County), and City of Fort Bragg (Mendocino County)
- 11 Tribes: Cortina Indian Rancheria (Colusa County), Hoopa Valley Tribe (Humboldt County), Karuk Tribe (Siskiyou/Humboldt Counties), Kashia Band of Pomo Indians of the Stewarts Point Rancheria (Sonoma County), Picayune Rancheria of Chukchansi Indians (Madera County) Sherwood Valley Pomo Indian Tribe (Mendocino County), Tolowa Dee-ni' Nation (Del Norte), Tule River Indian Tribe (Tulare County), Tuolumne Band of Me-Wuk Indians (Tuolumne County), Yocha Dehe Wintun Nation (Yolo County), and Yurok Tribe (Humboldt County)
- 12 Special Districts: Carpinteria Valley Water District (Santa Barbara County), Goleta Water District (Santa Barbara County), Groveland Community Services District (Tuolumne County), Lake Don Pedro Community Services District (Mariposa Stanislaus County), Mariposa Public Utility District (Mariposa County), Meiners Oaks Water District (Ventura County), Montecito Water District (Santa Barbara County), Mountain House Community Service District (San Joaquin County), Nevada Irrigation District (Nevada County), Placer County Water Agency (Placer County), Tuolumne Utilities District (Tuolumne County), and Twain Harte Community Services District (Tuolumne County)

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
